

GUARDSMAN™ SHOOTING STALL

The Guardsman Shooting Stall features a rugged, yet simple design that retains the industry-leading ballistic standards to which Action Target proudly holds itself. With a stainless steel trim and ABS skin, the Guardsman withstands the abusive conditions of a range with ease. The optional lower shelf adds functionality for shooters that is unmatched in its class.

ECONOMICAL

Offers an economical stall design for ranges on a budget.

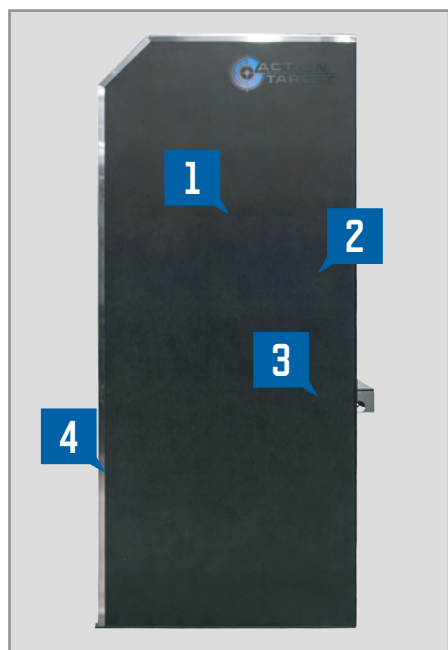

BALLISTIC

Independent UL 752 tests validate panel ballistic integrity.

EASY TO INSTALL

Simple design reduces time and cost of installation.

1 ABS SKIN

A rugged ABS skin resists brass impacts for long life and low maintenance.

2 CONTROL PANEL

Control panels can be installed at standard or ADA compliant heights.

3 TABLE

Guardsman features a standard ATI stall table with a non-slip rubber top and optional lower shelf.

4 STAINLESS STEEL TRIM

A stainless steel trim protects all edges of the Guardsman from damage.
